

Your Flexible Partner for Business Systems

Case Study

What are people saying

"G7 have an approach which is refreshing in the ERP world and especially pleasing with any Agresso implementation. They have a great team who are skilled, experienced and customer focused. I will not hesitate in recommending G7 as one of the best providers of Agresso consultancy"

Sean Goodman, ERP Project Manager, Places for People

"I had the pleasure of working with James Major and Rob Cocklin throughout the implementation of Agresso Business World – Financials. Both were high calibre, experienced consultants that shared their in-depth product knowledge to ensure we implemented a flexible business solution to meet our ever changing requirements"

Janet Baines, University of Northampton

"We are very happy with the support, and with the arrival of Louisa Lewis, G7 have a dream team. It is nice to talk to people we know, that really understand the system "

Sheena McCartney, Senior Finance Systems Accountant, University of the Arts London

"It's all about value for money and, in my opinion, we get that from G7. I very much like the heart that is in G7 and its values and people"

Emma Smith, Business Partner, System Support and Maintenance - Cotswold District Council

"The support service was excellent from G7; we always knew who we were talking to and they knew us. Every issue was resolved. We were keen to receive the same level of service to support our use of Unit 4 Business World and have signed a support contract with G7"

Debbie Heale, Finance Project Manager, University of Bath

"We've been using the G7 AMS service for a range of different issues and have always had a fast and very satisfactory response"

Mike Miller, ICT Team Leader (ERP), Southend-on-Sea Borough Council

"I've been very happy with the support so far, nice quick turnaround on all the calls"

Nick Ashworth, Financial Systems Accountant, the Press Association
